## TECHNICAL FEATURES OF THE SAMPLE

### "GENERATIONAL PERCEPTION, VALUES AND ATTITUDES, QUALITY OF LIFE AND HAPPINESS"

<b>Scope</b>	National
<b>Universe</b>	Spanish population of both sexes, aged 15 to 29.
<b>Sample size</b>	1 448 interviews
<b>Affixation</b>	Proportional
<b>Sampling points</b>	148 municipalities and 42 provinces
<b>Sample procedures</b>	Multi-stage, divided into strata, selecting the primary sample units (municipalities) and the secondary units (sections) with a probability according to its size, and the last units (individuals), through random routes and sex and age quotas.  The strata have been formed by combining the 17 autonomous communities with the size of the habitat, which is divided into 7 categories: below or equal than 2,000 inhabitants; from 2,001 to 10,000; from 10,001 to 50,000; from 50,001 to 100,000; from 100,001 to 400,000; from 400,001 to 1,000,000, and over 1,000,000 inhabitants.  The surveys have been done following a personal interview system at home.
<b>Sampling error</b>	In the simple random sampling, with a confidence coefficient of 95.5% (two sigma) and $P = Q$ , the real sampling error is $\pm 2.6$ %.
<b>Dates</b>	31 March -12 April 2006
<b>Field work:</b>	Centre for Sociological Research (CIS)

**CONTENTS:**

- Perception of social and personal problems
- Valuation of the country's economic and prospective situation in a year
- Valuation of the young person's financial and prospective situation in a year
- Level of satisfaction with life (agreement with: *In my life, almost everything responds to my aspirations; my life conditions are not pleasant at all; I am satisfied with my life; up until now I have achieved everything that was important to me in life; if I was born again I wouldn't change anything in my life*)
- Happiness rank
- What makes you happy
- Opinion about "*Happiness is very important to me and I make an effort to achieve it*"
- How often you laugh a day
- Feeling of having full freedom to choose and control your life
- Interpersonal trust
- Scale of basic beliefs (agreement or disagreement with: *As a rule people get what they deserve; I am very satisfied with the way I am; My life makes total sense; I can easily show my feelings; Being happy means knowing how to enjoy life and have fun; Being happy means growing as a person*)
- Satisfaction with the current situation and the future situations
- Level of satisfaction with various aspects of life: (*family; studies; work; friends; health; physical appearance; freedom at home; financial situation; spare time; leisure; personal relationships; sex life*)
- State of mind in the last three months
- The important things in life: (*friendship; family; studies; work; health; earning money; politics; religion; spare time; leisure; environment; physical appearance; sexuality*)
- Meaning of "Succeeding in life"
- How often you practice leisure activities and level of enjoyment
- Causes to justify the assumption of important risks
- Causes to justify violence for political reasons
- Reaction towards a friend's homosexuality
- Opinion about abortion
- Opinion about controversial topics such as: (*marriage between people of the same sex; occupation of empty homes; genetic selection of people with therapeutic purposes; helping a terminally ill person to die when they ask for it; applying the death penalty to people who have committed severe crimes; religious teaching at schools*)
  
- Political ideology
- Nationality and year they arrived to Spain
- Civil status or cohabitation situation
- Economic dependence or independence
- Usual place of residence
- Occupation
- Religious beliefs
- Centre where they studied primary education
- Level of qualification
- Person earning the highest income at home
- For that person when it is not the youngster him/herself: occupation, professional situation, professional relationship of the payees and activity of the company

## Results per SEX AND AGE GROUPS

**P.1**  
**Could you tell me which are the two main problems in society today? (spontaneous answer) (multiple answer: maximum two answers)**
